The story behind Mazen Designs.

Mazen Designs is a New York interior design studio for homes, hospitality and commercial spaces, founded in June 2024 by Mazen Eshak and led with Senior Designer Vincent Dale. The studio offers full-service design, from concept and space planning to sourcing, installation and styling, with trade pricing, 3D renderings before anything is bought, and discreet service for private clients.

THE DESIGNERS

Mazen Eshak, Founder and Principal Designer. Self-taught, he came to interiors after more than thirteen years in hospitality and years in furniture design and sales, including nearly two at Roche Bobois, a brief stint at Ligne Roset and a year leading a Brazilian furniture showroom. He also built mazendesigns.com and majliseditions.com himself.

Vincent Dale, Senior Designer. Grew up in Minnesota and trained as an exhibition designer. More than five years at Roche Bobois, helping clients with thousands of projects. An artist across painting, drawing, mixed media and 3D, and Co-Founder and Creative Director of MAJLIS Editions.

FEATURED PROJECT

Two apartments, one Upper East Side home

Mazen's first full-scale project joined two apartments into one four-bedroom home of jewel tones, crisp whites and restored herringbone floors, now with a bespoke MAJLIS rug in one of its bedrooms.
